

NUEMD EHR

EXTENDED PROFILE

OVERVIEW

NueMD is a cloud-based practice management tool that - in their words - allows you to “See Patients. Get Paid.” The software helps with scheduling and sending appointment reminders, as well as medical billing and follow-up of claims.

The medical billing software checks all claims against a database of 10 million plus common claim edits, meaning you can make edits to claims before filing. All communication with patients and insurance companies can be paper-free, as NueMD allows for account information to be stored in the cloud. Alternatively, there is the option to print automated letters to patients who have outstanding or delinquent balances.

The management of scheduling in NueMD allows for the tracking of patients from arrival to departure, for a large number of medical practitioners. Patients who fail to show can be reduced by the use of appointment reminder calls, and any schedule changes can show on employees’ mobiles. There is also a patient portal, templates for forms and letters and analytics on patient accounts and other data.

NueMD is sold in three packages - Practice Solution, Total Solution and the Ultimate Solution, which, depending on the number of users and level of support, includes a personal transition liaison and options for onsite support. Training is offered over a series of six sessions and is held over the internet using a Virtual Network Connection.

SOFTWARE SCREENSHOTS

The screenshot displays the NueMD software interface for appointment scheduling. At the top, there is a navigation bar with icons for Home, Patient, Ticket, Appts, Live Help, Exit, Insurance, Billing Mgr, and View. Below this, the main interface is divided into several sections:

- Appointment Form:** Includes fields for Location (Dr. Sunny), Provider (Dr. Sunny), Date (12/30/2014), Start Time (12:45 PM), Reason, and Duration (0:15). There are also buttons for "Add Attachment" and "Add".
- Appointment Options:** Three tabs are visible: "Appointment", "Next Available" (highlighted with a red circle), and "Recurrence".
- Patient Information:** A section for "Patient: Evans, Matt" with ID "3978" and a "New Patient" button. Other fields include Gender (Male), Birth Date, SSN, Chart No., Home Phone ((404) 808-0228), Work Phone, and Other Phone.
- Financial Summary:** Shows Credit (\$0.00), Balance (\$0.00), and Next Appt (<none>). Buttons for "Make an Appointment", "Capture a Payment", and "Print a Statement" are present.
- Fast Scheduling:** A large red circular graphic with the text "Fast Scheduling" is overlaid on the right side of the interface.
- Footer:** A checkbox labeled "Do not remind patient about this appoint" is visible at the bottom right.
