

**IMS CLINICAL EHR**

**EXTENDED PROFILE**

## OVERVIEW

From Meditab, the IMS Clinical suite provides certified EHR, practice management software, and a care portal for patients and providers, plus full practice analytics component.

IMS Clinical can be tailored to the needs of almost any specialty, this is achieved by the large portfolio of template sets available to users of the system.

There are currently over 380,000 member practices and specialists using IMS Clinical, meaning it is one of the largest collaborative digital networks for integrated healthcare communications.

Meditab offers live and online support systems, as well as on-site training to their clients.

## FEATURE OVERVIEW

- ✓ Patient Demographics
- ✓ Patient Portal
- ✓ Scheduling
- ✓ Appointment Management
- ✓ Medical Templates
- ✓ Document Management
- ✓ EM Coding
- ✓ Referrals
- ✓ Lab Integration
- ✓ Patient History
- ✓ Reporting and Analytics
- ✓ Voice Recognition
- ✓ Patient History / EMR
- ✓ e-Prescription
- ✓ E&M Coding
- ✓ Reporting / Analytics

## SOFTWARE SCREENSHOTS

The screenshot displays the 'Setup Center' application window. On the left is a navigation pane with categories like 'All Screens', 'Visit Note', 'RR', 'FGHC/HC', 'Prescription', 'Scheduler', and 'Other'. The 'Prescription' category is expanded, showing options such as 'Drug Category...', 'Drug Schedule...', 'Drug', 'NDC Qualifier Mapping...', 'SIG', 'SIG Words...', 'Pharmacy', 'Most Used Pharmacy...', 'HIC Provider', 'Most Used Provider...', 'Template', 'Default Value', 'EPCS Credentials...', 'Formulary', 'Print Layout...', 'Dispose Label Layout...', and 'Barcode Format...'. The 'Print Layout...' option is selected.

The main area shows a 'Prescription Print Layout' dialog box. At the top, it says 'Select: (Dispense) All - All - Controlled Type 1'. Below this is a toolbar with various icons and a '100%' zoom level. The central area is a preview of the 'Prescription Layout' form, which includes:
 

- 'For:' dropdown menu (set to 'Dispense')
- 'Office:' dropdown menu (set to 'All')
- 'Provider:' dropdown menu (set to 'All')
- 'Controlled/Non-Controlled' section with radio buttons for 'All' and 'Non controlled'.
- 'Controlled' checkboxes for 1, 2, 3, 4, and 5.
- 'Duplicate Rx Note:' section with a checkbox for 'Copy not for dispensing'.
- 'OK' and 'Cancel' buttons.

On the right side of the dialog, there is a 'Database Field List' panel with a search box and a list of fields including:
 

- drug
- drug schedule
- insurance end date
- insurance group no
- insurance id
- insurance name
- insurance start date
- rx pin
- rx action
- rx appointment id
- rxout id
- rx office address
- rx office city
- rx office city state zip
- rx office fax
- rx office name
- rx office phone
- rx office state
- rx office zip
- patient city state zip

The bottom of the dialog shows a status bar with 'Section: 1/1', 'Page: 1/1', 'Line: 1', 'Cell: English (United States)', 'NUM', '100%', and a toolbar with 'Insert Fields', 'Margins', 'New', 'Delete', 'Cancel', 'Save', 'Save As', and 'Close' buttons.

The overall window title is 'Setup Center' and it includes standard Windows window controls (minimize, maximize, close) in the top right corner.

Prescription

Number: (PT00007882) | Date: 07/20/17 | Status: Active

Prescription Details:

- Drug: **AMOXICILLIN** (AMOX) | Strength: 500 mg
- Quantity: 30 tablets
- Directions: PO BID x 10 days
- Refills: 0
