

HENRY SCHEIN MICROMD PRACTICE MANAGEMENT & EHR

EXTENDED PROFILE

OVERVIEW

MicroMD offers simple, customizable, connected EHR, practice management, and standalone eRX solutions to healthcare providers of all sizes.

MicroMD offers a range of core EMR functionality, including lab integration, medical templates, EM coding, and a streamlined clinical workflow. Voice recognition is available to speed up the note taking process, whilst pre-built EMR templates allows providers to customize the software to the needs of their specialties.

Providers can efficiently prescribe medications either within the MicroMD EHR platform or can purchase a standalone platform, including legally prescribing controlled substances.

The integrated EHR solution includes practice management for additional billing, claims management and reporting functionality, as well as patient engagement solutions for added patient convenience and efficiency.

This 2015 Edition ONC certified EHR from MicroMD is available on-premise or through the cloud, with implementation support and customized training programs available throughout the installation process.

Patient Care Plan

This screenshot shows a patient's medical history and vitals. The top section lists various medical conditions such as Hypertension, Diabetes Mellitus, and Hyperlipidemia. Below this, there are sections for 'Vitals' and 'Immunizations'. The vitals section includes a table with columns for Date, Blood Pressure, Heart Rate, Temperature, and Respiratory Rate. The immunization section lists various vaccines and their dates.

This screenshot displays a patient's laboratory results. It features a 'Chart Navigator' on the left with categories like 'Problem List', 'Medications', 'Allergies', and 'Vital Signs & Statistics'. The main area shows a list of lab tests with columns for Date, Time, Test Name, Result, and Status. A graph at the bottom shows the trend of a specific lab value over time.

This screenshot shows a patient's profile page. At the top, it displays the patient's name 'PETER T PAXTON', gender 'Male', and date of birth '06/02/1955'. Below this is a photo of the patient and a list of contact information including home, work, and cell phone numbers. The page also shows insurance coverage details, including the plan name 'MEDICAL MUTUAL OF OH' and the policy number '9855887'. There are several tabs at the bottom for 'Medical', 'Workflow', 'Clinical Data/Diagnostics', 'Administration', and 'General'.

This screenshot shows a patient's screening and prevention page. It features a 'Screening & Prevention' section with a table of recommended screenings. The table has columns for 'Template', 'Recommendations', 'Next Due', 'Interval', 'Scheduled', and 'Given'. Below the table, there are sections for '32 Items' and 'Last reviewed by Paul Primary, M.D. [1/14/2022 1:40 pm]'. There are also buttons for 'Administered', 'Missed', 'Future', 'Due', and 'Not Given'.

This screenshot displays a patient's laboratory results page with a graph. The top section shows a list of lab tests with columns for Date, Time, Test Name, Result, and Status. Below the list, there is a graph showing the trend of a specific lab value over time. The graph has a y-axis labeled 'mg/dL' and an x-axis labeled 'Date'.

This screenshot shows a patient's appointment history page. It features a table with columns for Date, Time, Appointment Name, and Status. The table lists various appointments, including 'Annual Wellness Exam' and 'Diabetes Management'. Below the table, there are sections for 'Appointment History' and 'Task Management'.
