SOFTWARE SCREENSHOTS

The screenshot displays the Custom Quoter software interface. On the left is a dark blue sidebar with navigation options: Getting Started (6), Dashboard, Jobs, People, Documents, Products, Settings, Map, Mail-Box, Support, Community Forums, Subscription, and Logout. The main content area is titled 'Estimates Form' with a status of 'UNSENT'. It features three green action buttons: 'Add item', 'Add products', and 'Add from previous'. Below these is a 'DEMO' badge and contact information for 'Henry Voice' (Email: henry@landscapejuice.com, Phone, Mobile). To the right, it shows 'Estimates #: 2' and contact details for 'Appy World Ltd' (Address: 74a, High Street, Wanstead, London, E11 2PU, UK; Email: info@customquoter.co.uk; Phone: 07912580320; Mobile: 07912580320). There are also fields for 'Receiver', 'Address', and 'Estimate Address', each with a blue edit icon. At the bottom, a table header shows '# Item' and a message states 'No data available in table'.
