

PRACTICE EHR

EXTENDED PROFILE

Practice**EHR**
Simplifying Healthcare

OVERVIEW

Practice EHR is an integrated electronic health record (EHR) and practice management (PM) system. The software is customizable for almost thirty medical specialties including chiropractors, podiatrists, pain management, family medicine, urgent care, and psychiatrists. The core features of Practice EHR include electronic medical records, medical billing, patient scheduling, and RCM services. These applications are available as part of one integrated suite. Users also have access to e-prescribing, lab integration, procedure workflows, narrative reports, tablet PC support, a patient portal, and ONC-ATCB certification. Eligibility inquiry, claim scrubbing, and workers' compensation claims are designed for practices that choose to utilize the medical billing application. Practice EHR is an entirely cloud-based solution. It is accessible via mobile devices and remote desktops.

SOFTWARE SCREENSHOTS

The screenshot displays the PracticeEHR software interface. At the top, there is a navigation bar with the PracticeEHR logo on the left, a central banner for "globalpayments" with the text "ACCEPT PAYMENTS SEAMLESSLY IN PRACTICE EHR", and a user profile for "NEWTHEME@DEMO..." with the role "PODIATRY". Below the navigation bar is a menu with icons for Home, Patient, Scheduling, Billing, Reports, and Setup.

The main content area is titled "Start Process" and features a patient profile card on the left with a photo of a woman. To the right of the card is a form with the following fields:

- Patient Name: CHARLES, ANGEL
- DOB: 01/04/1954
- Patient Balance: 0
- Plan Balance: [empty]
- Plan: - SELECT -
- Plan Co-Pay: [empty]
- Provider: - SELECT -
- Location: PAINMANAG
- Referring Provider: [empty]
- CPT Code: [empty]
- Past Visit: - SELECT -
- Chief Complaint: FOLLOWUP
- DOB: 01/04/2018
- Template: BOTOX-PHIFORMS-BL
- [empty field]: FOLLOWUP

At the bottom of the form are two buttons: "Start Visit" (green) and "Close" (blue).

On the right side of the interface, there is a "Tele-Visit Session" window. It contains two video feeds: a larger one showing a woman with blonde hair and glasses smiling, and a smaller one showing a man with a beard and glasses in a white lab coat.
