## OVERVIEW

TheraNest is a comprehensive practice management solution tailored for therapists, counselors, social workers, and psychologists. It is particularly designed to simplify administrative workflows in mental health and social care practices.

## WHAT DOES THERANEST DO?

TheraNest provides an all-in-one platform with capabilities and features such as:

- **Scheduling software for therapists:** Tools for managing appointments, recurring sessions, and room assignments with double-booking prevention.
- **Counseling EMR:** Templates for treatment plans, progress notes, and DSM code integration.
- **Billing management:** Batch invoicing, insurance claims processing, and electronic payments.
- **Client portal:** Enables clients to self-schedule, complete intake forms, and make secure payments.
- **Telehealth support:** HIPAA-compliant video conferencing for remote therapy sessions.
- **Mental health case management:** Centralized client records, attendance tracking, and unlimited file storage.

## SPECIALTIES SUPPORTED

While primarily focused on mental and behavioral health, TheraNest is versatile enough for allied specialties requiring therapy scheduling and documentation.
