

# ENSORA MENTAL HEALTH (FORMERLY THERANEST)

## EXTENDED PROFILE

## OVERVIEW

Ensora Mental Health (formerly TheraNest) is a comprehensive EHR and practice management solution tailored for therapists, counselors, social workers, and psychologists. It is particularly designed to simplify administrative workflows in mental health and social care practices.

The all-in-one platform with capabilities and features such as:

- **Scheduling software for therapists:** Tools for managing appointments, recurring sessions, and room assignments with double-booking prevention.
- **Counseling EMR:** Templates for treatment plans, progress notes, and DSM code integration.
- **Billing management:** Batch invoicing, insurance claims processing, and electronic payments.
- **Client portal:** Enables clients to self-schedule, complete intake forms, and make secure payments.
- **Telehealth support:** HIPAA-compliant video conferencing for remote therapy sessions.
- **Mental health case management:** Centralized client records, attendance tracking, and unlimited file storage.
